Pres: There is an issue that was found from the previous administration and the board is trying to resolve it. Our club has never been registered with the IRS as a “not for profit”. We have hired a consultant to help us fix this issue. Her name is Cher Fillman. She was able to come to our meeting to explain what we need to do. Our goal is to apply by December of this year.

Cher explained that we should apply for a 1024A exemption, our club falls into this category. With this tax exemption we do not have to pay property taxes.

There are several things that need to be done and submitted. We need to rewrite the bylaws, provide financial reports, Name addresses, phone numbers, & Office Held for all Officers. Create a Plan Budget Expense and provide Range Safety Rules once we have all this information we need to complete 990EZ form. The board has distributed the tasks and Cher will monitor their progress.

Once the bylaws have been modified and are reviewed we will be mailing them out to all members. We will need them approved and mailed back.

Ron Jones made a motion to allow the board fix this issue and return to our normal meeting Bill Pitman 2nd the motion.

Pres: Minutes from last month was approved.

Treasure: provided her monthly report.
