Range Master:

Regarding the new project:

Last Saturday, Ron Jones, Bill Pitman and himself went to Canby Rod and Gun Club, to check out the course for the “Rim fire challenge”. Gerry Simmons took pictures. He said that the range looks easy to put in. There were 2 bay areas. The gun targets we about 15 yards out and the rifle was 25 yards. We have enough room. They charge \$ 10.00 – \$15.00 per person. We need to have at least 1 certified range officer and 2 safety officer for the shoot. Only one person at a time can shoot.

Bill Pitman said when you come up to shoot the weapon must be in a cased set down pointing down range, then you open the case, the safety officer checks to see that there is a flag in the chamber and no magazine is in the weapon and the safety is on. Then the safety officer says make ready. The participant pulls the safety flag out and puts the

magazine the in rifle or pistol. Then the safety officer will say ready and the participant can put in the magazine then the participant will hear a buzzer so they can time the shoot. When they are done the safety officer will say show clear and makes sure that the weapon is clear, with the safety on, magazine removed and flag in and the weapon is down. They shoot the same course 3 times. There will be 2 stations roughly 30 feet wide.

Mike Sacry said that the American Legion is having a raffle; you can contact him for tickets at 503-410-5475. Drawing will be on November 11, 2022 at 11: 10 AM at McCormick Park, in St. Helens. You do not need to be present to win.

NRL shoot per Wayne Woodcock, we had 7 shooters on 07-02-22. The next shoot will be on August 6, 2022.

Silhouette- per Bill Pitman, we had a heck of a good time we had a young visitor he shot 9 out of 10 pig targets and 1 turkey. This shoot is every Wednesday from 10 AM – 12 PM.

Muzzle loader- per Len Thompson the next shoot is on Saturday, July 16, 2022 from 9 am to 12 pm
